Re: Sales Manager application: [X]% of target in [year]

Dear [Hiring Manager],

Last year my team of [X] reps reached [X]% of a [SAR X]M quota at [Company], growing [segment] revenue [X]%. I would like to bring that same discipline to [Target Company].

Three habits drive the numbers: a pipeline reviewed weekly against [X]x coverage, coaching on the [X] stages where deals stall, and key-account plans tied to each client's renewal date. In [year] this won [X] enterprise and government tenders worth [SAR X]M.

I manage forecasts in [Salesforce / HubSpot], negotiate in Arabic and English, and know the [Central / Western / Eastern] territory. For [Target Company], I would start with [first 90-day focus from the job post].

I can start on [date] and would welcome a conversation about your [targets / product line].

Best regards,
